

Caroline Pohle

- triathlete -

Sponsoring - Sedcard

my journey

I started my athletic career as a swimmer. After a few years, my path led me to short distance triathlon. After just two years in the sport, I was able to celebrate international success. Now I would like to repeat these successes over the long distance. In the next years I want to focus on the 70.3 distance.

races 2023

1. Place Challenge Vieux Boucau
